

*Head and parts of the body.*

*Anishinaabemowin simple questions and answers.*

In **the language** someone asks someone

e.g. “Where is your nose?”

***Abiish gdo jaanzh?***

The person points to their nose and says

“Here is my nose.”

**(Spoken in the language.)**

***Ndo jaanzh maampii.***

Everyone repeats this 3 times **in the language.**

This is repeated until all parts of the head are covered.
